BUILDTECH ASIA 2022

15 - 17 March 2022

BuildTech Asia (BTA) is an event of Constellar, in partnership with SIBL. BTA 2022 returns with a hybrid event format (in both physical and virtual exhibition) to help accelerate the adoption of digitalised solutions and smart technologies as part of the industry transformation roadmap for the Built Environment sector.

This 11th edition brings together 10,000 trade professionals to convene virtually and physically, to facilitate exchange of insights, knowledge, and solutions to help start, scale and sustain their transformation journey, focusing on the following key segments: Productive Technologies, Building Materials, Construction Machineries, Architectural Finishes, and Facilities Management.

KEY EVENT COMPONENTS	Over 4000 In-person attendees/ delegates	Hybrid Exhibition Event Type	Exhibition Hall & Conference Room Rental

"Singapore EXPO made our hybrid event smoother by offering professional event management services, especially in handling registration of all the attendees, which is the first and most important touchpoint. Our exhibitors were very happy with the operations and logistics arranged for them. Exhibitors with heavy machineries have given very good feedback on the ease for them to move in and out of the exhibition hall."

- Darren Tay, Project Lead, BuildTech Asia
